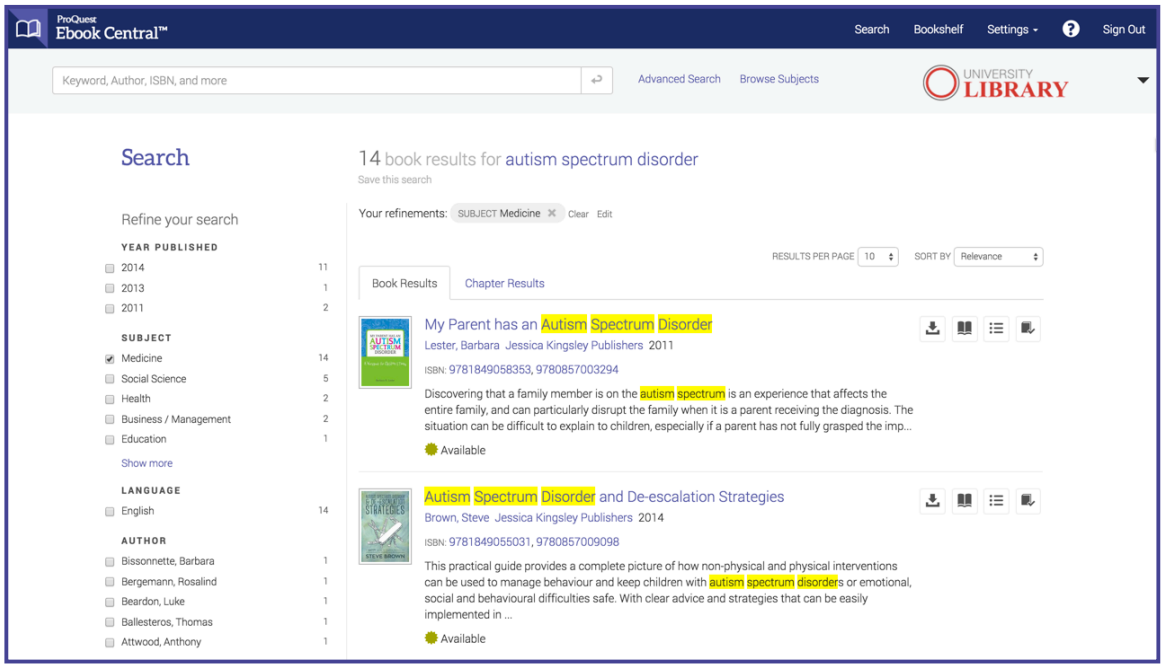
Welcome to ProQuest Ebook Central™!

Here are some tips to help you get started:

1. **Go to ProQuest Ebook Central via your library website.**
2. **Search for books** by entering a keyword, ISBN, or other terms into the search box. Put quotes around exact keyword phrases such as “autism spectrum disorder”. Or try Advanced Search or Browse Subjects.
3. **Narrow search results** by publication year, subject, and other filters.
4. **Learn more about a book** by selecting a title or selecting to view the table of contents, book availability for online reading and download, copy and print allowances, and bibliographic data.



Your search terms highlighted in Ebook Central search results

5. **Open the book** to read, search for keywords within the book and jump to relevant chapters. Read by scrolling or flipping through pages.
6. **Create a citation** in your choice of format by selecting . Citations are also included when you copy and paste text, and print pages and chapters to PDF.

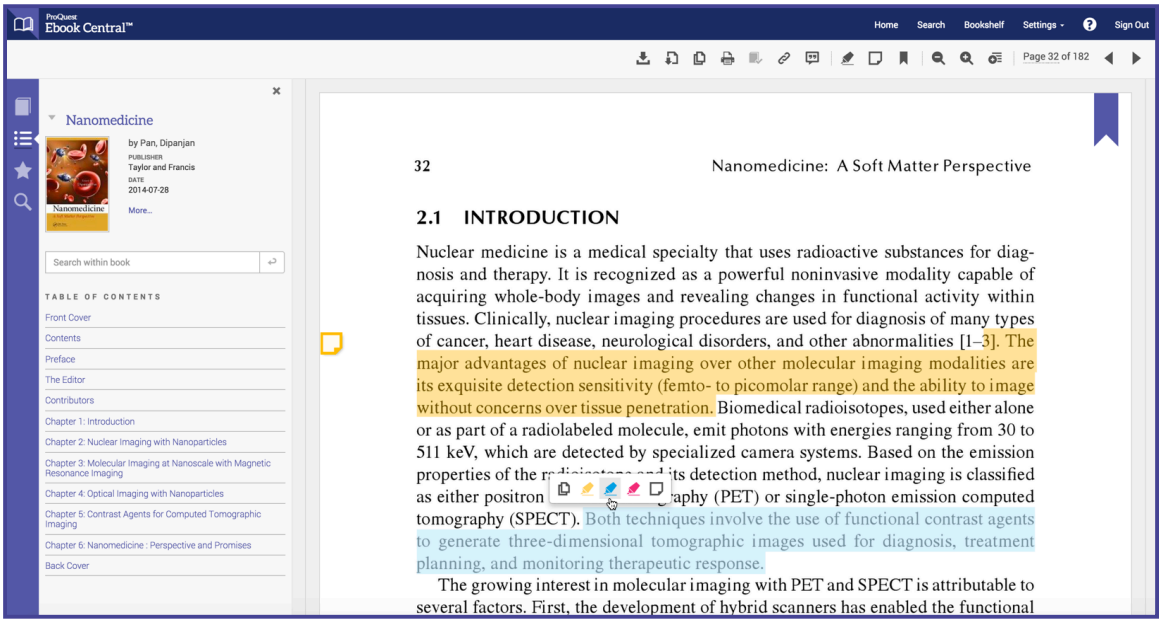
7. **Get a link to the page or chapter** by going to the specific page (or first page of the chapter) and selecting . Sharing this link with others brings them directly to the desired page.
8. **Annotate the book** by highlighting in 3 colors, bookmarking pages, and creating notes by selecting text and attaching a note. Review your Annotations by selecting .



Your notes, bookmarks, and highlighted text in the Ebook Central reader

9. In your Bookshelf you can **organize and share your research**. Share a book or entire folder of books with others, and export the notes you have taken in a book.
10. **Download the book or specific chapters** to use offline.
